

## Get Office 365 for free

1. Go to **My Ara** : <https://myara.ara.ac.nz/>

If prompted, use your [username@arastudent.ac.nz](mailto:username@arastudent.ac.nz) and your student password to log in.

2. Click on the **Office 365** tile.

3. Then click on **Install Office**

4. Follow the on screen prompts to install Office 365.

Note: If you have an older version or free trial already installed on your device you will need to uninstall this before you can download the new software.
