

Connecting Ara Wifi-Apple iOS

Please Note: You will need to have activated your student account by signing into a physical PC on Campus to be able to sign into the Ara Wifi.

1. From the Home Screen open the settings app and select Wi-Fi. Click **ARA-WIFI** from the list.

2. Enter your everyday Moodle/Computer username and password and click **Join**.

3. Click **Trust** on the eap.ara.ac.nz Go Daddy Secure Certificate - Thumbprint: 69 D8 59 9B 14 03 CF B2 F0 1D E1 9A A8 AF 78 C1 C9 FF EB 7C.

Once connected, you will only have to reconnect your device to the wireless network if your Ara password changes.
