

Lippincott Procedures App

1. Connect your personal smartphone or tablet to [Ara wifi](#)
2. Download the **Lippincott Procedures app** from your App store
3. Select **IP Authenticate**

The screenshot shows the Lippincott Procedures Institutional User Login screen. At the top, the Lippincott Procedures logo is on the left and the Wolters Kluwer logo with the tagline "When you have to be right" is on the right. Below the logos is a blue header bar with the text "Institutional User Login". The main text states: "This application provides content access for existing Lippincott Procedures institutional subscribers only. If your facility currently subscribes to Lippincott Procedures and you do not have a user account, please contact your facility's site administrator to request a general user account. If your facility does not currently subscribe and you would like to learn more, please visit our website: lippincottsolutions.com." Below this text are two input fields for "Username" and "Password". There is a radio button labeled "Remember me". A blue "Log In" button is at the bottom. Below the button are links for "IP Authenticate", "Active Directory", "OpenAthens", "Other Institution", and "Password Help". The "IP Authenticate" link is highlighted with a yellow background.
