After completing these steps:

- You have **registered** for a ClinicalKey user profile/personal account.
- You will receive a confirmation email and always be able to login with your Ara email address and the password you set up.

• Once you set up your Ara email and password access you can download the **Clinical Key Student Bookshelf app** for <u>GooglePlay</u> or <u>Apple</u> and choose "Nursing student" to see all your books. Please note that you can **use the CK Bookshelf app on one device only.** If you instal it on two devices you will need to log out of one of them to use the other. Once you have registered and set up your password save or favourite this link in your browser for quick access - <u>https://subjectguides.ara.ac.nz/clinicalkey</u>.

For further support email <u>library@ara.ac.nz</u> or ring (03) 940 8089 or use <u>Ask Live</u> on the Library website.
